Giveth house

WEB 3 SPACE FOR GOOD

VISUAL REFERENCE, VERSION 1.0 DRAFT

Giveth House style guide

Built on the Giveth Style Guide 2.0 so we feel like family, with our own logo and our frames. The written rules are in `STYLE_GUIDE.md`.

01 LOGO

Two colors, two versions

One SVG that takes the color of its container. Full logo for big uses, compact for header and footer.

Black on white (21:1)

Black on Dandelion (15:1)

White on Grape (7.35:1)

White on Indigo (16:1)

White on black (21:1)

Compact, for header and footer (min 80 px)

Clear space

An empty margin on every side equal to the height of the capital G in "Giveth" (about 17% of the logo width).

Never

Stretch, skew, rotate, box, outline, add effects, rearrange the frames, recolor it (it is black or white, nothing else), or put it on busy photos.

02 COLOR

Giveth's family, our warm accents

Roughly 60% neutrals, 30% indigo and grape, 10% dandelion. Do not use every color on one screen.

Card

Coworking

Day use of the house as a workspace for remote workers and builders. No fee: contribute what feels right.

The frame motif

Echoes the logo. Once per page, for one highlight.

No tickets. No fees. Just generosity.

Do and don't

- Ink for text, grape for actions, one yellow moment per section.
- Aquamarine or tulip text on white, or the logo in any color other than black or white.
- Prices, tiers, "book now", or anything that sounds like a hotel.

05 IN USE

How the pieces fit

A house for Web3 builders and communities

The physical home of the Giveth Galaxy in Barcelona's Sants neighborhood, open since 2017.

COWORKING

Come work with us for a day

Desks, good company and people building similar things, in a home rather than an office.

Ask about coworking

COMMUNITY FUNDED

No tickets. No membership fees.

Contribute what feels right, through Giveth.
